	MOTION PICTURE PHOTOGRAPHY/VIDEO RECORDINGS (Table 700-22) (Applicable Air Force-wide)		
	Air Force is adding Table 700-22, replacing current Table 95-2 disposition rules on Motion Picture Photography/Video.		
1	Rules 1, 2, 10-14, 17-20, 22, 23, 26-28 (currently Table 95-2, Rules 1, 1.1, 5-9, 15-18, 20, 21 and 24-26). No changes.		
2	Rules 7-9, 16, 21, 24 and 25 (currently Table 95-2, Rules 2-4, 14, 19, 22 and 23). Dispositions remain the same; only changed the descriptions.		
3	Rule 15 (currently Table 95-2, Rules 10-13). We formed a new records subject (visual information (VI) production files) consisting of current commercial projects and in-service production records. We need to keep these VI production files for the useful life of the production (motion picture filmstrips). Example of such a production is a film showing correct use of ejection seat of an F15 aircraft. If the ejection seat is changed, resulting in a new filmstrip on its use and supporting (production) files, then the previous ejection

	seat filmstrip production files are destroyed when the related filmstrip is no longer useful. Rule 1 and Note 2 cover the disposition of motion picture films.		
4	Rules 3 and 4. Added, to dispose of visual information captions. We are disposing of the Video/Sound Captions (AAVS Form 16) (Rule 3) when no longer needed; and Field MOPIC Camera/Sound Caption (AAVS Form 25) (Rule 4) when its information is transferred to AAVS Form 16. These dispositions meet Air Force needs.		
5	Rule 5. Added, to state where to send visual information documentation (VIDOC) motion media original and edited masters.		
6	Rule 6. Added, to dispose of motion media visual forms when superseded, obsolete, or no longer needed. The forms duplicate the information on the slate, while the slate is physically on the film, and both state what the film is about. This disposition meets Air Force needs.		
7	Rules 29 and 30. Added, to dispose of visual information production reports. Air Force only needs to keep these reports at preparing activities (Rule 29) for 2 years; but keep these reports at HQ AAVS (Rule 30) for 10 years because of congressional interest in VI workload and cost data.		
8	Notes 1-4 (currently Table 95-2, Notes 1-4). Notes remain the same, except for minor grammar changes.
