It pertains to the retention period for Personal Financial Records (PFRs) maintained by Accounting and Finance Offices (AFOs) Air Force-wide.</p> <p>Due to revised internal procedures, a central account is established for each individual Air Force member containing all pay and allowance information. Remote terminals are being installed at each AFO so that information can be accessible by servicing AFOs. The information in the individual PFRs, therefore, becomes a duplicate of what is contained in the central account record.</p> <p>The new 6-month retention period adequately serves Air Force requirements.
