The agency will offer these records to NARS as specified in the schedule.

SECTION III – APPRAISER'S COMMENTS

This job schedules these photographic negatives for immediate disposal based on the conclusions reached in in the appraisal done on them in 1981 (see enclosed NC3-77-01-1 documentation). Because the Archives believes that they are unworthy of archival retention and because the Army has met all other conditions necessary for donation, I recommend that we approve their immediate disposal through donation to the University of Louisville Photographic Archives. GAO concurrence is not necessary.
